**Important events to be reported:** ANCOM approval for RCS & RDS S.A. to continue to apply a surcharge for certain roaming services provided in the EEA for a renewed period of 12 months

We would like to inform the market and our investors that the National Authority for Management and Regulation of Communications in Romania (ANCOM) has authorized RCS & RDS S.A., the Company's subsidiary in Romania ("RCS&RDS") to continue to apply a surcharge for certain mobile telephony roaming services supplied to its customers traveling in the European Economic Area (EEA), therefore including the European Union.

By decision issued on 29 June 2018, for allowing RCS&RDS to continue to recoup the costs incurred for the supply of roaming services and to continue to apply the national tariffs in Romania, ANCOM has authorized RCS&RDS' request to apply a surcharge, on top of the national tariffs, for certain roaming services supplied to its own customers traveling in the EEA, but without going above the maximal following values:

- 0.0208 Euro/minute (excluding VAT), for the calls made by its clients,
- 0.0091 Euro/minute (excluding VAT), for the calls received by its clients (this value might vary in accordance with the changes brought by the European legislation),
- 2.97 Euro/GB (0.00297 Euro/MB), excluding VAT.

RCS&RDS will apply the roaming surcharges starting from the first unit of consumption supplied to its own customers traveling in the EEA.

The renewed authorization issued by ANCOM will apply for 12 months starting 1 July 2018.

For information regarding the initial approval in this respect granted to RCS&RDS in 2017, we invite the market and our investors to refer to the current report issued by the Company on 30 June 2017 (<http://www.digi-communications.ro/en/investor-relations/shares/current-reports/digi-current-report-30-06-2017>).
