Important events to be reported: Completion of the Transaction regarding the acquisition of Telekom Romania Mobile Communications' prepaid business and certain assets

On 1 October 2025, DIGI Romania S.A. completed the acquisition from Telekom Romania Mobile Communications S.A. (“**TKRM**”) of (i) certain assets including certain spectrum licences and telecommunications towers as well as (ii) the business of providing prepaid mobile telecommunications services (the “**Transaction**”). In a concomitant transaction, Vodafone Romania S.A. (“**VF**”) acquired TKRM.

“We welcome Telekom prepaid clients to the DIGI network, the network with the best coverage in Romania, and we will strive to provide them with high quality services at competitive prices. At the same time, we thank our existing clients for their trust and assure them that this transaction will improve the quality of mobile voice and data services, expand coverage and ensure faster and more reliable services. The transaction is part of our strategic development plan, through which we continually invest in the network and advanced technology to offer all users high-performance connectivity,” said Serghei Bulgac, CEO of DIGI Romania.
