Digi Communications NV

announces the grant of conditional stock options based on the general shareholders' meeting approval from 25 June 2024

22 June 2026

The Company hereby informs the market about transactions falling within the scope of Article 19 of Regulation (EU) No. 596/2014 on market abuse.

The transactions relate to the grant of class B stock options for the year 2026, pursuant to the resolution of the Company's General Meeting of Shareholders dated 25 June 2024 (the 2024 GSM). The vesting and subsequent exercise of the stock options granted are subject to the fulfilment of certain performance criteria and the expiry of a minimum period of one year.

Further details regarding the 2026 stock option program are available HERE.

The transactions were notified to the Company in accordance with the applicable capital markets legislation. Details of the transactions are available on the Company's website (https://www.digi-communications.ro/), under the section Investor Relations.

About Digi Communications NV

We are a European leader in geographically-focused telecommunication solutions, based on the number of revenue generating units ("RGUs") and a leading provider of telecommunication services in Romania and Spain, with a presence also in Italy, Portugal and Belgium.
